WHY CONTRACTOR SOURCE

We're building better relationships between contractors and clients.

At Contractor Source, we understand that you're not just building homes. You're building a business. Contractor Source provides everything you need to keep projects running smoothly and make clients happy enough to call you for their next big project — and tell their friends to do the same.

The industry's highly trusted cabinets, countertops and flooring products.

Source the same quality products trusted by the nation's largest home builders for your weekend project, investment property or next renovation customer.

All found under one roof, in one trip.

Why waste time shopping around messy, crowded big-box stores all over town? Now, you and your clients can browse, select and customize high-quality counters, cabinets and flooring all at once in the beautiful Contractor Source showroom.

Finished to your exact specs, faster.

Equipped with a laser templator, CNC waterjet and overhead cranes, Contractor Source's high-tech, high-capacity fabrication plant will cut and finish your countertops within days of your final selection.

With a process that makes your clients happier.

From our impressive showroom to efficient ordering system to easy, on-site design and customization, Contractor Source helps you and your clients get from the first estimate to the finished project (and final check) faster and happier.
